

Forces Housing Survey

from Julian Tisi & Antony Wood

Can you spare five minutes to help the Local Lib Dems Campaign for a better deal for Service families both locally and nationally?

A recent interview on Aldershot's Garrison FM revealed that at the current rate it will take the MOD 80 years to refurbish its current housing stock.

Your local Lib Dems are conducting a survey to find out the condition of armed forces housing in Windsor. We hope to use the results to press for improvements both locally and nationally.
