TORY DASH FOR CASH

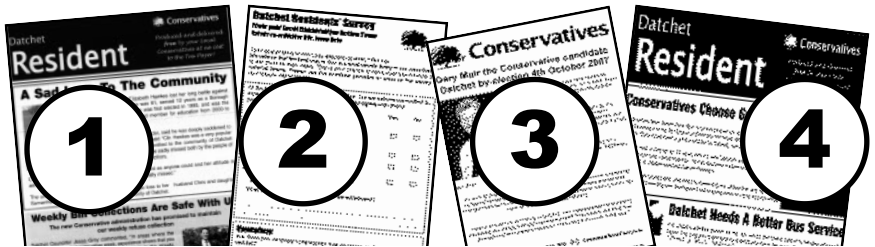

STEALTH TAX THREAT AS TORY BUDGET OVERSPEND HITS £500,000 IN 5 MONTHS

Following on from running up £100 million of debt when they ran the former Berkshire County Council, Conservatives at the Royal Borough of Windsor & Maidenhead have lost control of the Council's budget. and are running up a staggering £100,000 a month in overspend. In 2002 similarly weak financial discipline forced Tories to bring in the on street parking charges they have just scrapped.

Lib Dems say "watch out for Tory Spin, Cuts & Stealth Taxes."

LIB DEMS SAY . . . **KEEP ADVANTAGE CARDS FREE**

Despite the ongoing Lib Dem fight to "KEEP ADVANTAGE FREE" the Conservatives have published yet another leaflet which carefully avoids making promises that the Advantage Card will stay Free. Windsor Conservatives have now published 3 leaflets mentioning the Advantage Card, and been challenged by Lib Dem Leader Simon Werner both at the council and on Slough Radio Station Time 106.6. Each time they have carefully avoided a commitment to the future of Free Advantage Cards. Instead they have chosen to tell local people that they can (currently) get Advantage Cards free..

They ain't gonna keep it free no more . . .

4 leaflets on and NO COMMITMENT TO THE FUTURE OF FREE ADVANTAGE CARDS. Conservatives meet on the 27th September to plan future Charges to be decided by the Conservative Cabinet on 22nd November. CONSERVATIVE attempts to blame the opposition for their MASSIVE OVERSPEND suggest they are preparing the ground for massive Stealth Taxes. Under threat are Car Park Charges, Free Advantage Cards & Domiciliary Care.

Confused Conservatives are the School Dunces

Confused Conservatives have announced getting admission to the Windsor Middle and Upper Schools for Datchet Children as one of their flagship policies for the Datchet by-election.

“Admission to Windsor Schools is what many Datchet parents want, which is why the Lib Dems introduced it last year! Parents are applying right now under the new system for 2008 admission to the Windsor Schools.”

says Councillor Cynthia Pitteway - Lib Dem Education Spokesman

“Far too many of the current Conservative Councillors regularly fail to turn up to Council Meetings. If I am elected, I promise to attend council meetings regularly and fight hard for everyone in Datchet.” says Local Campaigner Tim O’Flynn

“Free on street parking for Advantage Card holders is useless, if Windsor Conservatives refuse to rule out swapping charges for parking for charges for The Advantage Card.

The Tories must come clean on the future of Advantage Cards

OR

promise local people not to introduce Advantage Card charges until we have a chance to vote on charges in the Windsor Tories’ next election manifesto”

says Local Campaigner Tim O’Flynn
