## Julian Tisi says THANK YOU

Julian Tisi says "Thank you," to all the thousands of people who voted for him in the General Election recently.

Julian said, "Across Britain more people than ever voted Liberal Democrat - nearly seven million people."

Now many of the policies those people voted for will be put into practice through the coalition. This includes action for fairer taxes, cleaning up politics and getting the economy moving again.

"Labour has failed Britain for too long and even after the election, refused to talk seriously about working with the Lib Dems."

At the election, the people chose to give no party an overall majority. People wanted politicians to put aside their differences and work together to sort out the nation's problems.

Through collaboration many of the desired Lib Dem policies will now deliver real change for Britain. Nationally, NHS funding is guaranteed, schools will get more funding and most pensioners will get a better deal.

**Britain needs change - the Lib Dems will deliver this.**

Julian Tisi says, "Thank you."

## Four steps to a Better Borough

### Cleaning up the Neighbourhood

The condition of roads and pavements has deteriorated and anti-social behaviour & car crime are a serious problem. Liberal Democrats are fighting to reverse this.

### Protecting the Vulnerable

Liberal Democrats are committed to stopping Council Conservatives cutting services to the vulnerable and using stealth taxes to charge them more for essential services.

### Making the Borough Green

Liberal Democrats are determined to turn the Borough into a green and sustainable Borough where green issues are given a priority.

### Providing Value for Money

Local Lib Dems are fighting hard against Council Conservative stealth taxes that have gone up by £18 million a year.

# Fairer taxes action

**Nearly a million low paid workers will no longer pay income tax thanks to the Lib Dems in Government.**

Raising personal allowances by £1000 to £7475 a year will also cut £170 off the average tax bill.

Nick Clegg said, "Labour's huge debt means this is the toughest budget in years.

"This budget takes vital steps to putting our nation's finances back in order and delivering on our promise for fairer taxes made in the election."

Nick Clegg put fairer taxes at the heart of the election campaign. Now those promises are being kept.

## The emergency budget at a glance.....

- Action to put the nation's finances back in order - after years of Labour waste and incompetence
- Nearly 1 million low earners taken out of tax
- £2 billion extra child tax credit to tackle poverty
- Help for pensioners - earnings' link restored
- Top earners to pay 10% more in Capital Gains Tax
- A new tax on banks

# Eton Lib Dems Local Action

# ETON MESS

Eton is a wonderful place to live but the amount of litter in the streets and surrounding areas is becoming a real concern to a number of local residents.

## Introducing George Fussey

After years of service as a local campaigner, former Councillor Richard Pratt is happy to support George Fussey as he steps up to represent the local Lib-Dem campaign.

George has lived and worked in Eton for 25 years and his two children have grown up in the town and attended local schools. His wife, Heather, and son, James, both work in local schools so not surprisingly he also has a keen interest in education.

He's keen to do all he can to improve things both for Eton residents and local businesses.

## Parking Problem

The lack of parking restrictions in South Meadow Lane is continuing to make it a traffic black-spot. Commuters and others avoiding car parking charges are making the lane dangerously narrow.

Traffic flow is restricted along a 100-metre stretch and there are often no passing places. Just as bad, the verges are being eroded and the ancient hedgerows are being spoiled by dropped litter. Even fly-tipping is now an issue along the hedgerow.

Local Lib-Dems are keen to resolve the issue of parking in Eton once and for all.

George Fussey wants to see Eton cleaned up - particularly areas like Meadow Lane Car Park

This is made worse by the visit of the Brocas Fair and by people who camp on local fields and don't clear up after themselves.

"Meadow Lane Car Park is a complete eyesore," says local Lib-Dem George Fussey. The Recycling Bins are often full to overflowing and rubbish is strewn along the perimeter and the nearby hedgerows and meadows.

If first impressions count then visitors to Eton will certainly not feel welcome. Please help us take action with the council and let's improve our local environment working together.

## LIB DEM RECESSION BUSTERS

## Lib Dems bring Credit Union to Borough

Liberal Democrats have persuaded the Borough Council to help start a credit Union for the Borough - in partnership with the Reading Credit Union.

A Credit Union is a bank - available for secure savings and low-cost loans. It is targeted at low income households and is owned and run by its members.

It encourages savings especially for people on low incomes and keeps many people out of the hands of loan sharks through small low cost loans.

George Fussey said, "Helping local people through the recession is one of the main priorities for the Lib Dems locally."

## Street Light Cover Up

Tangier Lane and Sunbury Road streetlights certainly look attractive, but the problem is that they don't always stay that way!

They attract hordes of insects and - inevitably - spiders and can become covered in mess. This can be really unsightly and the lighting levels can be badly affected.

"All that is needed is a regular cleaning programme," said long-time local resident George Fussey.
