Sorting out our Neighbourhood

Do you think the Conservative Council looks after your neighbourhood? Yes No

Anti Social behaviour

Conservative Councillors have encouraged late night clubs, some open until 4am, in Windsor town centre for young people. This has increased the level of anti-social behaviour in Eton.

Do you agree think the Council should be encouraging this night-time entertainment

Yes No

Please describe any other anti-social behaviour you have had problems with:

Speeding & Traffic

Many people have told us they are concerned about parking in South Meadow Lane restricting traffic flows, damaging verges and encouraging fly-tipping.

Would you like to see parking restrictions in the affected parts of South Meadow Lane?

Yes No

Cars regularly speed on Eton High Street.

Are you concerned about this? (tick all which apply)

Yes No

If yes, how should it be tackled?

- Improved traffic calming to slow cars down
- Improved enforcement measures
- other ideas (describe below)

.....

Buses (tick one only)

Do you have a pensioner's bus pass?

Yes No

What would encourage you to use buses more often? (new routes for instance)

.....
.....

Value for money

The Council is currently putting up Stealth Taxes and charges on residents whilst cutting services, rather than cutting waste.

Where do you think the council is wasting money?

Refold the survey so the address above shows in the DL window envelope. We will return in 30-60 mins to collect it - if we miss it post it to us. A stamp is not needed but using one saves us money.

A Caring Community

Home Care supports our most vulnerable residents to stay in their own homes. Since 2007 Conservative Councillors have doubled the charges for the most vulnerable residents .

- Should the Conservative Councillors have done this? Yes No

Parking (tick all that apply)

For many years the council planned a Park and Ride on the M4 corridor to help remove traffic from Eton, Datchet and Windsor. Would you support a park & ride for Eton & Windsor?

- Yes
- No

- Yes if it paid for itself
- Yes if it made a small profit
- Yes if it required a small council subsidy
- Yes even if it required a big council subsidy
- Depends on its exact location

What do you think of the Residents parking scheme in Eton?

- I'm against the Residents' Parking Scheme
- I like the Residents' Parking Scheme
- Residents' Permit charges are too high
- Visitors' Permits cost too much
- We should get more visitors' permits
- I am worried about the effects on local shops, pubs, or other businesses
- Often spaces are not being used:

Tell us where:

- We could have pay & display parking on street during weekend daytimes without causing problems.

Groan Zone . . .

Use this space to tell us about any of the issues in the survey or any other local issues / problems.
