## Julian Tisi says THANK YOU

Julian Tisi says "Thank you," to all the thousands of people who voted for him in the General Election recently.

Julian said, "Across Britain more people than ever voted Liberal Democrat - nearly seven million people."

Now many of the policies those people voted for will be put into practice through the coalition. This includes action for fairer taxes, cleaning up politics and getting the economy moving again.

"Labour has failed Britain for too long and even after the election, refused to talk seriously about working with the Lib Dems."

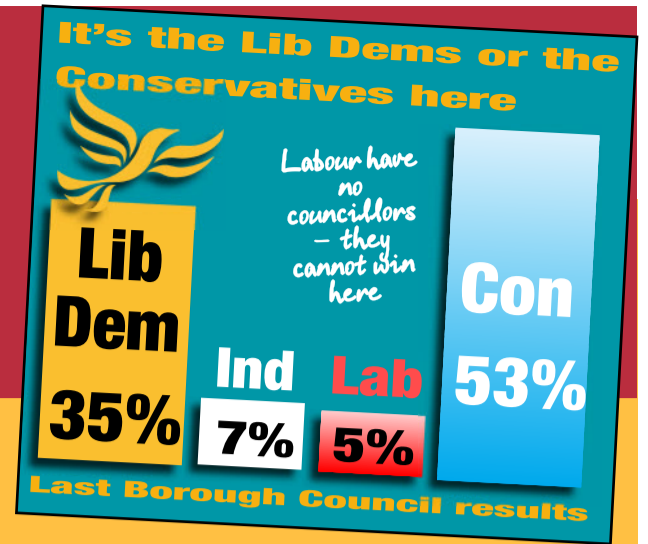

At the election, the people chose to give no party an overall majority. People wanted politicians to put aside their differences and work together to sort out the nation's problems.

Through collaboration many of the desired Lib Dem policies will now deliver real change for Britain. Nationally, NHS funding is guaranteed, schools will get more funding and most pensioners will get a better deal.

**Britain needs change - the Lib Dems will deliver this.**

Julian Tisi says, "Thank you."

## Four steps to a Better Borough

### Cleaning up the Neighbourhood

The condition of roads and pavements has deteriorated and anti-social behaviour & car crime are a serious problem. Liberal Democrats are fighting to reverse this.

### Protecting the Vulnerable

Liberal Democrats are committed to stopping Council Conservatives cutting services to the vulnerable and using stealth taxes to charge them more for essential services.

### Making the Borough Green

Liberal Democrats are determined to turn the Borough into a green and sustainable Borough where green issues are given a priority.

### Providing Value for Money

Local Lib Dems are fighting hard against Council Conservative stealth taxes that have gone up by £18 million a year.

# Fairer taxes action

**Nearly a million low paid workers will no longer pay income tax thanks to the Lib Dems in Government.**

Raising personal allowances by £1000 to £7475 a year will also cut £170 off the average tax bill.

Nick Clegg said, "Labour's huge debt means this is the toughest budget in years.

"This budget takes vital steps to putting our nation's finances back in order and delivering on our promise for fairer taxes made in the election."

Nick Clegg put fairer taxes at the heart of the election campaign. Now those promises are being kept.

## The emergency budget at a glance.....

- Action to put the nation's finances back in order - after years of Labour waste and incompetence
- Nearly 1 million low earners taken out of tax
- £2 billion extra child tax credit to tackle poverty
- Help for pensioners - earnings' link restored
- Top earners to pay 10% more in Capital Gains Tax
- A new tax on banks

# Castle Without Lib Dems Local Action

# Pat Gare Joins the Team

## Overdevelopment in Alma Road

Local residents derailed plans to bring a massive new office development to Alma Road.

The Kipling Buildings were to be more than twice the size of the Slough Tesco.

"Maidenhead and Windsor Conservatives were trying to railroad the development by not taking seriously the traffic and parking problems this development would have brought to our fragile community," said long-time local resident Antony Wood.

Local Lib Dems are now on the lookout to see if the developers will appeal or come back with another piece of over-development.

Whilst recognising the site needs to be developed we shall oppose anything which does not suit this largely residential area.

**Antony Wood supported the campaign to stop the Council Conservatives allowing this massive over-development**

"Well known local campaigner Pat Gare has joined the Castle Without local Lib Dem team. Pat has lived in Bexley Street, Windsor for 23 years.

For the last seven years she has been working to make her street, and her neighbourhood, a safer and nicer place to live through involvement in Neighbourhood Watch and the Inner Windsor Neighbourhood Action Group.

In March 2009 she became the first person in the borough to qualify as a Community Crime Fighter.

## POT HOLE WATCH

There are more and more pot holes appearing all over our town.

Moray Barclay said, "These not only make the town look tatty, they are also dangerous for cycles, motorcycles and cars.

"Please report any pot holes you see to us and we will put pressure on the council to sort them out."

## Late night disturbance from clubbers

One of Pat's major concerns is the impact of the night-time economy on residential areas near the centre of Windsor.

Pat says, "I hear so often from residents about the disturbances caused by late-night parties as they leave the town centre clubs. We must hold these establishments accountable".

Please share your experiences and suggestions on this important topic with Pat. pat\_gare@hotmail.com

## LIB DEM RECESSION BUSTERS

## Lib Dems bring Credit Union to Borough

Liberal Democrats have led the battle to bring a Credit Union to the Borough, in partnership with the Reading Credit Union.

A Credit Union is a bank - available for secure savings and low-cost loans. It is targeted at low income households and is owned and run by its members.

It encourages savings especially for people on low incomes and keeps many people out of the hands of loan sharks through small low cost loans.

Lib Dem Moray Barclay said, "Helping local people through the recession is one of the main priorities for the Lib Dems locally."
