The Lib Dems have suggested building an M4 Park & Ride Scheme to intercept the 53% of traffic that comes into Windsor along the Motorway Spur Road. This scheme could use trains to bring visitors into Windsor Central Station from a car park by the M4.

- I often see empty spaces not being used
- I like the idea of a residents' parking scheme but don't like how it was done
- I am worried about the effects on local shops, pubs, or other businesses

- We shouldn't build on the Green Belt
- We need more homes but built elsewhere
